

TULIPS®

A Caring Touch

Trusted since 1999

A Leader in Personal Hygiene Products

About Us

TULIPS has been known world over for its highest quality standards in personal hygiene products.

All TULIPS products are produced at modern, GMP certified, state of the art manufacturing facilities, ensuring always the best for the consumers.

All the products are Dermatologically tested & are hygienically processed with regular tests done at NABL accredited laboratories to ensure proper safety. The test reports are available on its website for the consumers to verify.

Tulips products are exported to more than 17 countries & at home, these are sold at more than 200,000 big & small sized retail outlets of India.

TULIPS is industry leader & has been the 1st brand to introduce many firsts in the personal hygiene industry. It is the **first brand to introduce sustainable, 100% biodegradable cotton swabs in India**. Just by replacing the plastic stick with paper/ bamboo, TULIPS alone has reduced the plastic waste of more than 1000 tonnes per annum & making the product with sustainable, 100% biodegradable paper or Bamboo - ensuring that 'NO FOREST IS CUT FOR ITS COTTON SWABS'. We are also the **first to introduce 100% biodegradable & Flushable Wet Wipes, first to bring 99% purified water-based Baby Wipes** which are 'India's lowest chemical content Wipes'.
